Sponsor Commitment Form

BACKGROUND

Make Safe Tech, Inc (Safe Tech) and Safe Tech's National Advisory Council are hosting the inaugural "Safe Tech Pitch," a virtual competition on Tuesday, Nov. 17 from noon to 5:00 p.m. Central Standard Time. True to Safe Tech's mission, the event's purpose is to bring first responders and armed forces together with the Nation's leading-edge technologies. Organizers of the half-day virtual event expect to attract 100+ attendees who have a genuine interest in what technologies can help protect lives and keep our forces safe. This is an opportunity for your organization to impact the development of solutions for those who protect us daily.

Safe Tech's goal is to raise $35,000 in prize funding to support the 20 finalists. All sponsor funding raised will go directly into the prize pool to present to the event winners. There are three levels of sponsorship offered below. Please let us know the level you and your organization can commit to furthering these companies to "Make Safe Tech!"

SPONSOR LEVELS

$2,500 SAFE TECH PITCH EVENT SPONSOR LEVEL (10 AVAILABLE)

Event Sponsor receives:

Recognition on the event registration website, through social media, and the organization will be listed on promotional announcements and marketing materials to promote the event as an event sponsor. Sponsors will be displayed prominently on a banner during the virtual event and mentioned during the event as an event level sponsor. Utilizing our virtual hosting platform SOCIO, we will recognize each event sponsor as a named breakout room and or collaborative lounge sponsor.

$1,000 SAFE TECH PITCH PRIZE POOL SPONSOR LEVEL (10 AVAILABLE, 8 REMAINING)

Prize-Pool Sponsors Receive:

Your organization will be listed on the sponsor recognition banner during the event as a Prize Pool Sponsor to be displayed prominently at the event, and mention during the event.

CUSTOMIZABLE SAFE TECH SPONSORS FOR END-USERS

Customizable Safe Tech Sponsors for End-Users Safe Tech Pitch brings technologists and investors together with our nation's end-users throughout the emergency response and armed forces ecosystems. If you would like to help us honor them and thank them for their participation in Safe Tech Pitch through swag, tech, and/or training, let's discuss how to recognize your company as a sponsor.
